

CSM Eng 848 Webb Fall 2012

NoodleBib: username/password:

Open CSM Home Page., Lib Home pg, and staff directory.

Open article pdf in its own window. A Leaner and Meaner Defense (in ASP).

<http://search.ebscohost.com/login.aspx?direct=true&db=aph&AN=56630312&site=ehost-live>

Open MLA sample paper.

Warn the class about closing announcements. Poll 1

For this research paper, you are going to be working with academic or scholarly articles. Let's see some differences. Show video on popular/scholarly sources beginning at 1:20 until 3:31.

Library Home Page (from CSM Home). Show Staff Directory. Articles & Databases list, by subject. Discuss Library Cards, barcodes, database and online collections access. Hand out applications.

Academic Search Premier. Search military spending and united states, Full-text, Peer-Reviewed

Opposing Viewpoints: Search euthanasia united states. Show document types.

Hands on practice.

Periodicals title search? If they need a specific article or journal.

Citation:

Your research paper is going to look not like a published journal, but like this (show sample paper). Each citation in the list of references corresponds to a citation in-text, or in the body of the paper. Explain MLA. Navigate to Research Help → Citation Resources to show MLA resources and sample MLA Works Cited Page.

NoodleBib Demo using Euthanasia book. Time permitting, have everyone create accounts, or at least explain that they need to do that..
